OpenDoors®

INTERNATIONAL DAY OF PRAYER

ASIA

Pray the Church is equipped to stand strong, that underground church networks grow, and for believers to be courageous in following Jesus despite threats, violence, and isolation from other Christians.

THE MIDDLE EAST

Pray for believers in areas of conflict to be kept safe, and those who are displaced will grow in conviction and courage to follow Jesus despite great challenges and dangers.

AFRICA

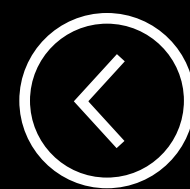

Pray for believers to be protected from violence and conflict, that God will be their provider and comforter, and that their persecutors will come to know Jesus as Saviour.

LATIN AMERICA

Pray for Christians to be strengthened in wisdom and courage so they stand against armed gangs, crime groups, and leaders who threaten their safety and faith.
